Who we are

Shubhshrey Industries Private Limited is an ISO 9001:2015 certified manufacturer of welding electrodes, operating from the Maharashtra Industrial Development Corporation (MIDC) area in Baramati. Under our Bharatweld brand - Proudly Indian For Indians - we supply quality welding consumables to fabrication shops, contractors, distributors, and industrial buyers across India.

Manufacturing facility

2, G-241/4, Maharashtra Industrial Development Corporation Area, Baramati, Katphal, Maharashtra 413133

Our values

Quality

Consistent electrode performance under ISO 9001:2015 processes.

Innovation

Continuous improvement for Indian workshop conditions.

Customer Satisfaction

Responsive service and electrodes welders can trust.

Employee Involvement

Skilled teams who take pride in every Bharatweld box.

Responsibility to Society

Make in India manufacturing from MIDC Baramati.

Dealers as Partners

Long-term relationships with distributors nationwide.

Leadership

ISO 9001:2015 Certified Company

Make in India manufacturer

Bharatweld electrodes

Five electrode lines manufactured by Shubhshrey Industries - welding, stainless, cutting, and hardfacing grades for Indian industry.

E6013

E6013 Welding Electrodes

Mild Steel | General Purpose

Rutile electrode for gates, grills, sheet metal & everyday fabrication.

AC/DC | All positions | 2.5 / 3.15 / 4 mm

E7018 / E7018-1

E7018 Welding Electrodes

Low Hydrogen | Structural

High-strength, crack-resistant welds for heavy fabrication & structures.

AC/DC+ | All positions | 2.5 / 3.15 / 4 mm

E308L-16

E308L Stainless Electrodes

Stainless Steel

For 304/308 stainless - food, chemical & architectural work.

AC/DC+ | All positions | 2.5 / 3.15 mm

Cutting & hardfacing

CAPTAIN CUT

Industrial Cutting Electrodes

Cutting & Gouging
Metal cutting, piercing & gouging without oxy-fuel equipment.
AC/DC | 4 / 5 mm

HARDFACING

Manganese Hardfacing

Wear Resistant Overlays
Impact & abrasion resistance for crushers, rails & mining equipment.
AC/DC+ | Flat / horizontal | 3.15 / 4 mm

Industries we serve

> Construction & infrastructure

> Agriculture & farm equipment

> Mining & heavy industry

> Manufacturing & fabrication

> Maintenance & repair

> Food, chemical & stainless
